Keniston welcomes a new Chair

As we say goodbye to Julian Miles after nine years of excellent service, we are glad to warmly welcome a new Chair of the board **Emma Keegan**.

Emma has more than 20 years experience working in the housing sector, most recently as Managing Director – Rochford for Sanctuary Housing. She is an experienced board member who joined Keniston as Chair in November 2019. She holds Post Graduate Diplomas in housing, management studies, and systems thinking and practice. Emma is also a member of the Chartered Institute of Housing.

Emma says "I am delighted to have been appointed as Chair and am looking forward to working with residents, staff and board colleagues to further Keniston's vision of delivering better homes, better services and better neighbourhoods. "
