

Foxley Hall action plan 23/24

Star survey top 3 2023

Car parking – We have had no recent complaints.

Rubbish or Litter – Fly-tipping is reported and collected in a timely manner.

Communication & Information – Walkabouts and Residents meetings are held once per year. We encourage residents to continue to attend.

You said, we did

Club

Residents asked for a gardening club to be set up. We consulted with residents but there was a poor response.

Better homes, better neighbourhoods

- Bin store planting.
- Dummy camera to deter fly tipping.

Estate walkabout

- Asked about stripping and resealing of the floors. Costs outweighed the benefits.
- New food recycling bins ordered.
- Requested jet washing of the paths and walls. This will be done as part of the planned cyclical decorations.

Resident meeting

- No residents attended.
